Chapter President

Valued Members of PMI NorthSask,

I'd like to start by congratulating and welcoming our 2023 PMI North Saskatchewan Board!

Therese McIlmoyl - President Elect
Chris Duggan - VP Finance
Maryleen Enebeli - VP Membership
Artak Babayan - VP Volunteers
Ankit Trivedi - VP Professional Development
Olusegum Ahmed - VP Marketing

In addition to the Board, we have had three new volunteers join us at the Director level;
Pardeep Lall - Director of Social Media
Opeyemi Ijidola - Event Administrator
Jeiran Soleimani - Director of Media

Thank you to all of our existing and new volunteers who continually help delivery quality services for the Chapter.

I am also excited to start my term as Chapter President. For those of you who I have not had the pleasure of meeting yet, my name is Joel Goy. I am a PMP and Professional Engineer working as an operations manager for an industrial construction contractor in Saskatoon. I have been involved in the Chapter since 2020 and hope to help continue to elevate the services we offer to our members moving forward.

The province is booming right now as the globe looks to us for our world class resources and talent. I don't think there is a better place to be right now in the Project Management sector (as long as you don't mind a little cold weather). Our goal this year as a board was to increase value to our members and we are off and running. We started the year delivering online and in person lunches for January and February which both saw attendance levels exceed 2022. We also introduced our partnership with Projectbites which will provide all members of the chapter free access to 20 minute project management training tools. Stay tuned as we roll out the luncheons for the remainder of the year along with other networking and professional development opportunities.

As we move into spring I'll leave you with the below quote on growth and education,
"A person who never made a mistake never tried anything new" – Albert Einstein

Sincerely,
Joel Goy
