CHAPTER PRESIDENT

Dear Members,

Hope you are doing well and looking forward to a much-anticipated holiday break.

We successfully conducted our 2025 Annual General Meeting on December 11, with close to 60 members in attendance. Your questions and comments sparked meaningful conversations and provided our Chapter Board with thoughtful and actionable insights for the year ahead.

As we head into 2026, we are carefully considering the feedback you shared throughout the year, along with learnings gathered from other PMI chapters during the PMI Global Summit in November 2025. We are excited about the new programs we plan to introduce in the coming year, as well as the opportunities that increased collaboration with local organizations, including APEGS, will bring to our membership.

As announced during the AGM, due to reasons beyond my control, I will be unable to continue serving as Chapter President. The Board has initiated the election process and is currently reviewing the applications received. We will share further updates in the coming days.

I want to express my sincere appreciation to our Board of Directors, our dedicated volunteers, and to all of you for your support over the past year. I look forward to remaining connected with the chapter in a different capacity and supporting a smooth transition to the incoming President.

On behalf of the entire PMI Saskatchewan Chapter Board, I wish you and your family a Merry Christmas and a Happy New Year.

Warm regards,

Rohan Suresh, MBA, PMP

President, PMI North Saskatchewan
