

Project Manager

BTY is an award-winning professional consultancy providing complete project solutions in real estate and infrastructure asset planning, development, operations, and transactions. With a portfolio of projects valued at over \$100B, our experience spans across industries, sectors, and continents.

We stand by our commitment to creating and sustaining an environment that is meaningful as it is inspiring, by fostering alliance, collaboration, and purpose. People here have a voice to discuss ideas, a role to play within an inclusive team, and support for well-being and professional development. Work on high-impact engaging projects that support the health of the communities we engage with. Let's change the world together.

Our Project Management team is looking for a Project Manager to join us in **Saskatoon OR Regina** immediately.

What You Get To Do

- Work and lead on multiple projects while spending sufficient time on the client site;
- Coordinate day-to-day project activities during all phases of the project;
- Planning, Design, Construction and Closeout;
- Lead in developing, implementing and maintaining - Project Delivery Plans, Work Breakdown Schedules, Project Budgets and Project Schedules;
